*You gave me a copy of **This Was Your Life** a few years ago. I really wasn't interested, but I accepted it because you cared for me and you weren't "pushy." I went to my house, laid it down and because I was so depressed, decided to kill myself. I picked up a gun, loaded it, and put it to my head. But when I tried to pull the trigger, I couldn't move. I felt so cold! That startled me! A strong thought came to me: "Read that booklet!" When I decided to do that, I suddenly felt warm. I read the booklet and repented of my sins, placing my faith in the Lord Jesus Christ.*

"Meet The Artist"

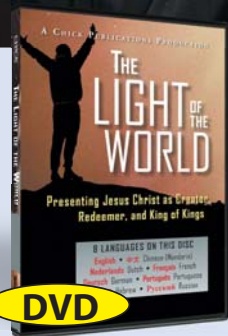

25

When customers began to request that Chick tracts be redrawn for a black audience, Jack Chick tapped a world class artist for the job —Fred Carter.

Originally from Danville, Illinois, Fred Carter was saved at 18. Coming from an artistic family, he has been drawing all his life.

When a teacher saw The American Academy of Arts in Chicago was running an art contest, he persuaded Fred to submit his work. Fred won 2nd place...and a scholarship. After a profitable year at the Academy, Fred had to leave school to earn a living. By 1972, he had joined Chick Publications. Fred is the artist behind all of Chick's full-color comics, and also most of the film **Light of the World**. Fred, with Lee Esther, his wife, also pastors a local church.

Over 6 Million Black Tracts Sold!

In 1972, when Jack Chick brought Fred Carter onto Chick Publications' staff, they began a partnership which was to last nearly 45 years. The black tract series, with Fred's art, has already sold over 6 million copies to soul-winners worldwide.

Fred is the believer who was chosen by Jack to draw Chick tracts after Jack Chick's passing. Fred now works with Chick's other long-time partner, David Daniels, to continue the tradition of no-compromise Chick gospel tracts that **get read**.

TRACTS ON ROMAN

Over one billion Roman Catholics worldwide are hoping that praying the rosary, their baptism, and their good works will get them into heaven.

The tracts on these pages show these precious,

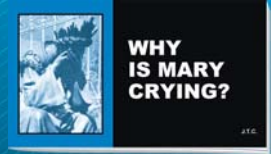

sincere souls that salvation is a free gift, available only through faith in Jesus Christ, not the approval of a manmade church. They will see that Mary worship is not a short-cut to God.

#71 Shows Catholics that neither their good works nor their religion can save them.

#47 Millions of Catholics trust another "Christ" to save them. Here's the truth.

#40 Catholics learn that their devotion to Mary breaks her heart.

#82 A Catholic dies and learns his religion was wrong. A "**This Was Your Life**" for Catholics.

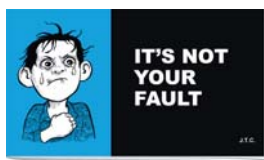

#1071 Is he really the "Holy Father," or actually something quite different? Not ALL religion is of God.

"Using one of your tracts, I led an entire family to the Lord right on the street in front of a Catholic church which they had just attended."

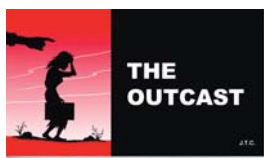

"I have had a big eye-opener and I praise God for setting me free from 37 years of Catholicism and 22 years of being a Roman Catholic nun. Thanks for the beautiful ministry of telling it so boldly and I want to pass it on."

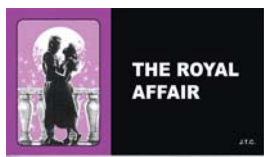

#1080 Frances was sure there was no hell! But when she ran a red light, she got a surprise.

#1060 Ralph hated, but had to forgive, and be forgiven, to be free.

#5008 Rahab was saved because she trusted the Lord. He will save you, too, if you will call upon Him.

#283 King David learned that God forgives all who repent.

#1025 The nation that stops being thankful and forgets God is heading for judgment.

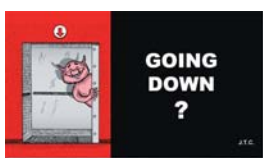

#1925 If someone lets you go to hell without saying a word, does he love you... or hate you?

#1091 Don't insult Jesus by ignoring His sacrifice for you.

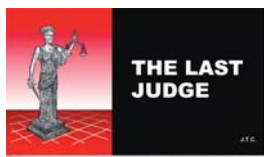

#1165 Claire avoided a tragedy because she would **not** give up.

#1056 Bob was sure that hell wasn't real, until he saw how Evans died.

#95 He was a religious leader, but his name wasn't in the book of life.

See how asking simple, yet profound, questions can deliver a powerful dose of truth to those — both inside and outside of Christianity — who might need to consider their choices in life in the light of eternity. Great witnessing ideas!

Mark was raised a Catholic and attended Auburn University where he played basketball with teammate Charles Barkley. In college, four friends witnessed to him and gave him a Bible and he started reading it. He was also given a gospel tract. Mark said, "The tract probably cost half a cent, but it really got my wheels spinning. I realized the life I was leading and after hearing an evangelist on TV, I became born again."

"WORLD'S
OLDEST BIBLE"
A FAKE?

DAVID W. DANIELS

Is The "World's Oldest Bible" a Fake?

By David W. Daniels #1442 • 352 pages, \$16.95

The many changes in modern Bibles come from a manuscript called the "Sinaiticus," taken from a monastery on the Sinai Peninsula. Its discoverer told the world it was from the 4th century, the oldest Bible available. Publishers rushed to make new Bibles with many changes to match it. But not everyone agreed. When famed textual critic Constantine Tischendorf claimed this ancient date, a well-known Greek

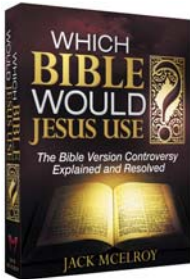

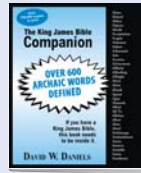

calligrapher said "No! I made that document!" But no one believed him. Now, with photos of the Sinaiticus available on the internet, researcher David W. Daniels proves with easy-to-understand evidence that the Sinaiticus is not what it claims to be. That 19th century calligrapher DID make it. The textual (and doctrinal) changes in modern Bibles are based upon a fake!
